

What is the Locker?

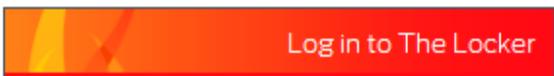

The Locker replaces what was called the NCCP database.

The Locker is an important tool that supports the efforts of all Canadians involved in coach education. Access to The Locker will provide all coaches with the opportunity to track their progress and guide their development.

The Locker has been developed by the Coaching Association of Canada to support its mission of enhancing the experiences of all Canadian athletes through quality coaching.

Coaches with an NCCP number can view/update personal information, coaching records and access printable transcripts. NCCP Partners can access coach records in their sport or jurisdiction.

Access the Locker at:
